

UNIVERSITY INTERNSHIP CREDENTIALS

University Internship Credentials are issued to individuals who have enrolled in Commission-accredited internship programs. These one- to two-year programs are administered by California colleges and universities in partnership with local school districts and are designed to provide participants with classroom experience while they complete course work requirements for the preliminary or professional clear credential. University Internship Credentials authorize the holder to serve, under the supervision of a Commission-accredited college or university and the holder's employer, in the area or subject listed on the credential. University Internship Credentials are offered in the following areas:

- Multiple Subject Teaching
- Single Subject Teaching
- Multiple Subject with English Learner Authorization
